Four years ago one of the most noted of Winslow High classes entered this school as meek green Freshmen. They did not remain green long, however, and soon showed real ability as well as school and class spirit.

They began to show their abilities in their Sophomore year. Lettermen in the class were on the athletic teams. Students attended the contest at Flagstaff and represented the class well.

As Juniors the class showed more interest than ever. There were members of the class on football, basketball, and track teams. A "swell" Junior-Freshman dance was given and was a huge success. The Promenade, carried out in blue moon theme, was heralded by all as the most successful event of the season. The Junior play, "The Nut Farm," drew a large audience all of whom considered it as the best Junior play given in years.

This class has been noted throughout its high school years for its co-operation. This quality was shown even more in its fourth year. The members of the class attended the first function of the year, the Senior Faculty picnic, one hundred per cent. Nearly every member tried out for the cast for the class play, "Polly With a Past." The play was produced in real style. It received much praise and was greeted by a good sized audience.

If the present Seniors co-operate in after life with any one they may happen to work with as well as they have done with each other the past few years in Winslow High School, they are sure to make life a success.

Junior Class History

President.....*Mayfair Mersfelder*
Vice President.....*Walter Robinson*
Secretary.....*Betty Black*

In the fall of 1930 the snappiest class of all entered high school. For social functions during our Freshman year we gave two parties. These parties were well attended and thoroughly enjoyed.

There are many Juniors in the Band and Glee Clubs. The Juniors had more people on the cast of the Operetta than any other class. Quite an accomplishment.

Starting this year as Juniors, we gave a swell Freshman-Junior Dance. The Junior Play, "The King Rides By," went over big in spite of the depression. One reason for this was the whole-hearted support of the class.

Billy Kelly is next year's football captain, and James "Stumblefoot" Curtis is basketball captain. The Juniors have members on all athletic teams.

Oh, by the way, talking about keen proms; everyone enjoyed the Eskimo Prom of 1933. Although the hall was cold in appearance, the orchestra surely "got hot."

We are proud to state that a Junior won the Miss W. H. S. contest.

Next year when we are Seniors we hope to make our class the best that has ever inhabited this school.

Two years ago Winslow High School was brightened by a green bunch of Freshmen, who had entered. The greenness soon wore off, and we were considered the brightest Freshmen that had ever entered Winslow High. One of the greatest accomplishments of our Freshman year was helping with the Junior-Freshman dance, which was considered a great success.

We entered this year as Sophomores with 45 students in the class. We have been well represented in the Pep Squad, Glee Clubs, Band, Athletic teams, and all other school organizations. The Sophomores placed two members on the student Council besides their representatives. B. L. Hicks was chosen as Student Body cheer leader, and Evelyn Coston was chosen as Pep Squad yell leader.

The Sophomores have members on both football and basketball teams. The following made letters in football: Augustine Hernandez, Domingo Andrade, and Billy Clarke. Basketball lettermen were: Augustine Hernandez and Newel Rhoton.

About six o'clock on the morning of September sixth, nineteen thirty-two, some eighty-five unsophisticated and slightly green Freshmen arose to scrub and prepare for our first day in high school. Two or three hours later, we cautiously entered that brick building on Apache Avenue, which is known as Winslow High School. Since then many things have happened.

We helped the Juniors give the Junior-Freshman dance, which even the Seniors admitted was good.

We gave our yearly entertainment at Christmas time, at which Santa Claus appeared with presents for all. A number of our boys made first team in basketball and football, and a great many girls as well as boys are interested in track. Our class team won the inter-class basketball tournament, and we surely are proud of them.

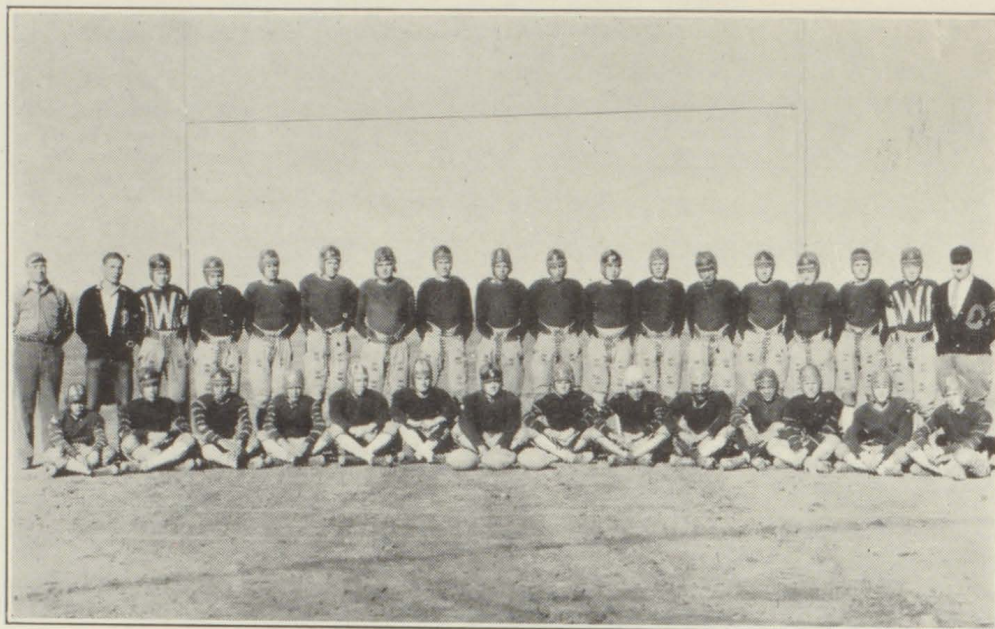

Our president has done his best to keep the class in hand and make us a necessity instead of a hinderance to W. H. S., and we are sincere when we say he has been a success.

We have taken part in the school activities, but since our class activities are not as numerous as the upper classes we have concentrated our efforts on our home room programs and some real talent has been brought to light.

But we do not plan to stop here. The class of '36 promises to be a huge success.

Football

Winslow High School's football season got under way September the 4th, when about forty young stalwarts answered the gridiron call. Coaches J. B. Wilson and Glen Olmsted, backfield and line mentors respectively, welcomed the return of eleven lettermen for the team's nucleus. Because of the light material on hand both coaches can not be given too much credit for the showing made by a fast backfield and a strong forward wall. Generally speaking, most of our plays were built around Captain Robert Carter, fullback, John LaZear, and Coleman Savage in the line. Modified Notre Dame and Warner formations were used as a part of this year's strategic play.

Winslow 0—Gallup 0.

The first game of the season was played on our field September 24th, with Gallup. Many fumbles and otherwise futile efforts marred the game because of pre-season form shown by both teams.

Winslow 6—Jerome 6.

Displaying a brilliant brand of football, Winslow held the powerful Jerome Muckers to a six to six tie, the only team to cross the Champion's goal line this year. Captain Bob Carter played a great game, backing up the line in heroic style.

Winslow 0—Clarkdale 14.

A lucky pack of Clarkdale Wolves took advantage of erroneous Winslow playing and turned back the championship thirsty Bulldogs on the

Smelter town field October 15th. Bill Kelly, star quarterback and next year's Captain, was injured. Lawrence Recordon, starring at end, took over Kelly's duties and proved himself a capable field general for the rest of the season.

Winslow 26—Holbrook 2.

A light but somewhat inexperienced Holbrook Roadrunner eleven was downed by the Bulldog Pigskinners October 29th.

Winslow 14—Flagstaff 19.

Winslow's encounter with Flagstaff November 5th, was the most prominent event on our athletic calendar. Two breaks in the second quarter gave the Eagles as many touchdowns. Although they were in a demoralized state, the Bulldogs rallied, scoring twice. But as fate would have it the gun ended the greatest battle seen on our field in many years.

Winslow 6—Prescott 7.

The Bulldogs, followed by an enthusiastic crowd of rooters, journeyed to Prescott on Armistice day for the annual skirmish. Winslow outplayed the Badgers throughout, starting three offensives that placed the ball within the ten yard line; but each attempt for a score was checked by a small but scrappy Prescott line. A lucky Prescott pass gave the Badgers six points, and the successful conversion for the extra point gave them the victory.

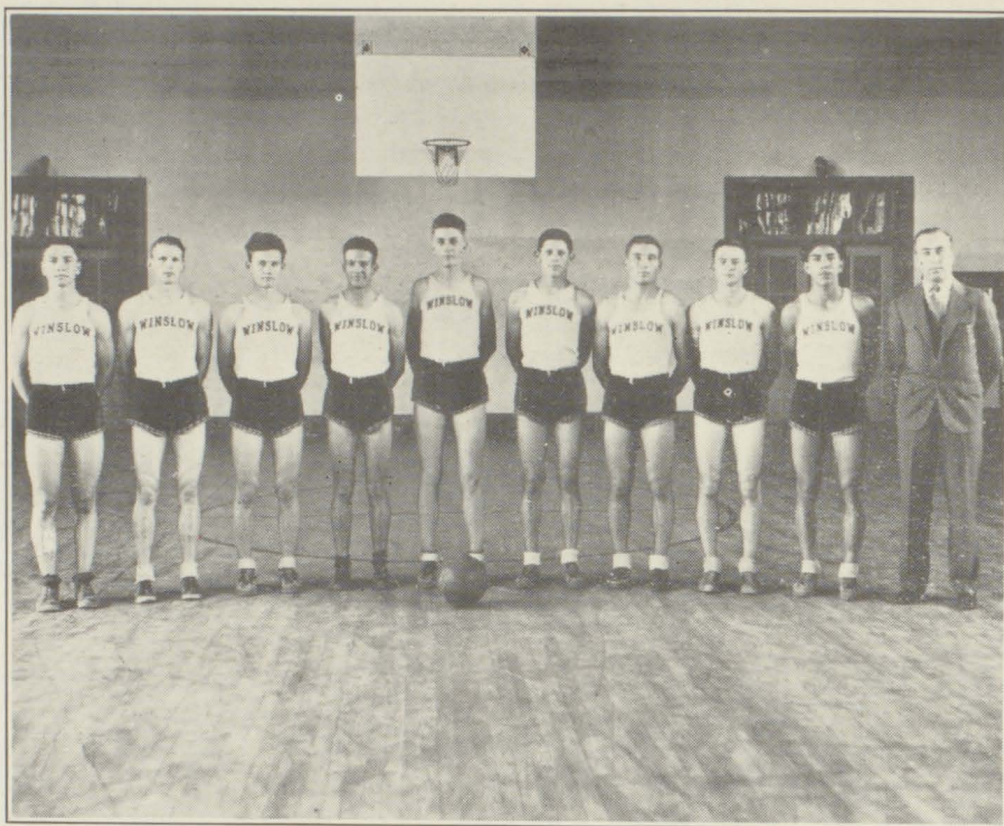

Winslow 39—St. Johns 0.

A confident array of St. Johns griders were trampled under a smashing Winslow attack November 19th, when the locals ran wild. Lawrence Recordon and Augustine Hernandez set off most of the fireworks with their sensational playing.

Winslow 26—Williams 0.

A light but fast Williams eleven was smothered by the Bulldogs in their last game of the season, November 24th. A dazzling aerial attack coupled with speedy end plays completely bewildered the visitors, and resulted in our lopsided victory.

Thus closed a rather discouraging yet altogether successful football season. Captain Carter and Coleman Savage landed positions on the ALL-NORTHERN Arizona team. Carter was also given honorable mention for the ALL-STATE eleven. Our conference average stood at 500%. Although disheartening defeats were experienced, they were moral victories because of the ever present sportsmanlike attitude shown by Bulldog athletes.

Basketball

The curtain of the big Bulldog Basketball show was pulled in Mid-December, with a series of non-conference practice games figuring in the first act. Coach Wilson had only three returning lettermen, including Capt. Ernest Chilson, upon which to pin his hopes; but soon found that valuable men were to be had in James Curtis, center and next year's captain, Lawrence Recordon, Winn Hall, Robert Brennan, Ralph Blankenship, Augustine Hernandez, Larry Lee, and Newell Rhoton.

The boys were off to a slow start, but quickly developed into a smooth working machine that won eleven tough games and dropped seven. This season's tilts seemed to be extremely closely contested ones. Our hair-raising game with Holbrook is still in the limelight. And speaking of revenge, Winslow snatched the Northern Arizona Tournament Cup right from under the Roadrunner's noses by one of those traditional one point margin games.

There were several reasons why our casaba tossers glorified themselves by defeating such teams as the Phoenix Indian School. First of all, the loyal support rendered by the Student Body and townspeople spurred them onward. A hard-working coach, J. Burrus Wilson, made a non-stopable team out of the scant possibilities on hand. Recordon, winner of the award given to the most valuable player, and Capt. Chilson were a great pair of forwards. Curtis, center, starred at his position and should do wonders next year. Ralph Blankenship, guard, played a faultless brand of ball throughout the season. A. Hernandez, his running mate, landed a regular berth at the other guard position. Although he was but a Sopohomore, Hernandez won the medal for the highest accuracy in caging free-throw shots.

MAYFAIR MERSEFELDER '34

Mrs. M. H. S.

A Miss W. H. S. is elected every year in which an annual is published. Each class has a candidate for this honored position. The contest is a great financial help to the "Meteor."

The candidates this year were:

Freshman.....	<i>Evelyn Jones</i>	Junior.....	<i>Mayfair Mersfelder</i>
Sophomore.....	<i>Vera Albright</i>	Senior.....	<i>Lorraine Wilkerson</i>

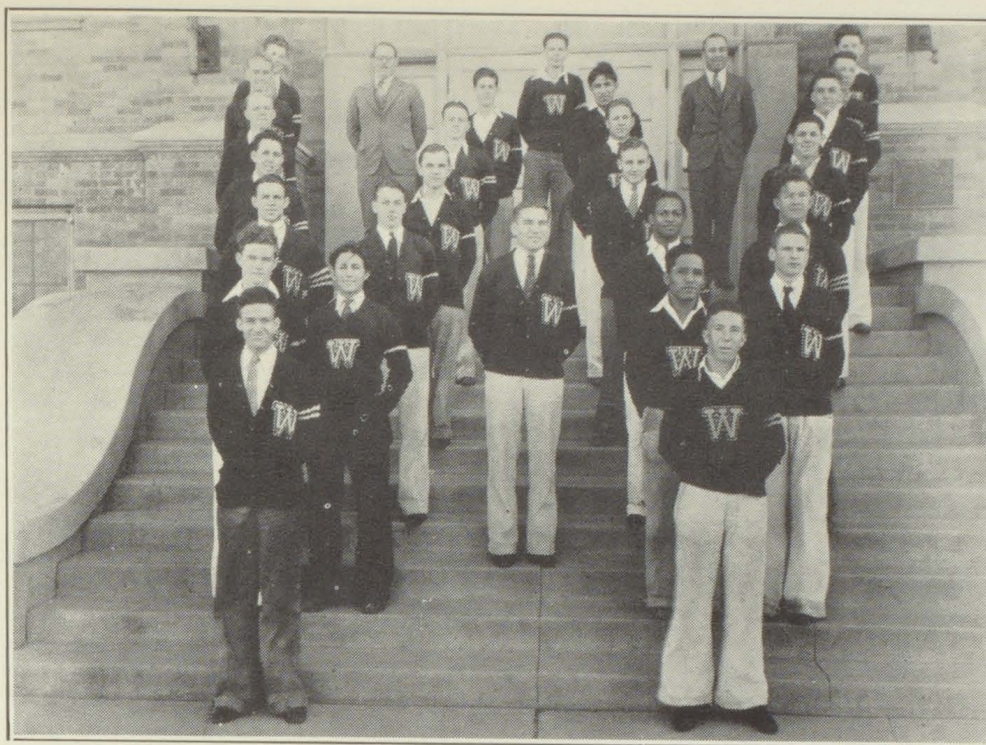

Mayfair Mersfelder was the winner of the contest this year. This is third time that the Junior candidate has received the coveted honor.

The Staff

The staff of the "Meteor" consists of a very small group representing all classes in school. Each class has its own editor. Seniors were elected as the executives because of their added years of experience.

With the formation of a “W” Club a long neglected activity was instigated. One year lettermen of either of the three major sports are eligible to join. The purpose of the club is to instill in the minds of the players and students a desire for cleaner athletics and good sportsmanship.

The club was organized in the last semester of 1931, but had no chance to show its worth. It was not reorganized until the beginning of the school term of 1932-33. The club has sponsored a few activities in school, and we are looking forward to its being one of the most active organizations in school.

Girls' Glee Club

The past Girl's Glee Club of Winslow High School has brought many honors to our school. The present Girl's Glee Club hopes to bring many more honors from the Inter-Scholastic Contest at Flagstaff this year.

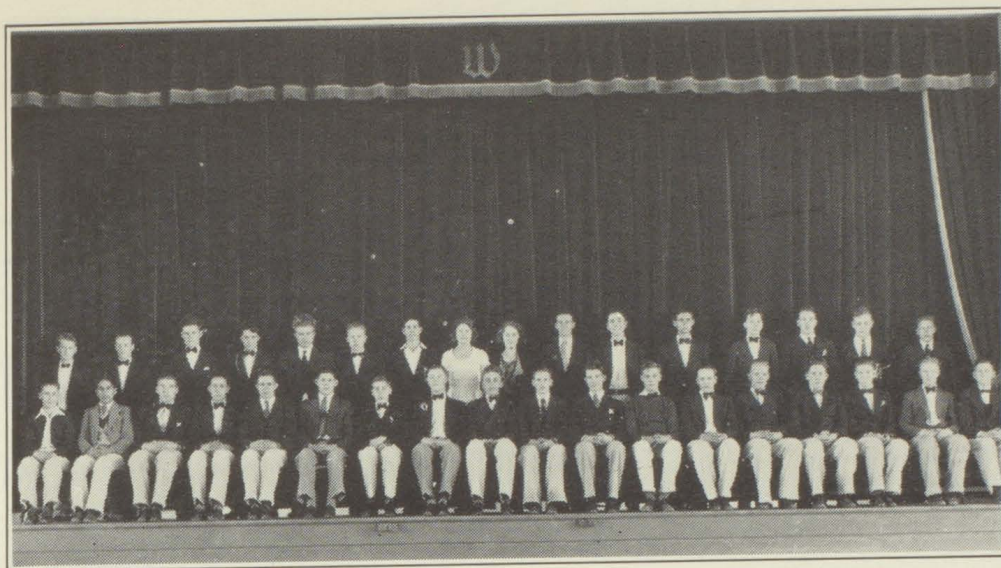

In the past the Glee Club has been composed of sixty members. They appeared in many community functions and with the Boy's Glee Club presented the operettas, "Once In a Blue Moon," by Noble Cain; "Belle of Bagdad," by Arthur A. Penn. A short operetta, "Walk The Plank," by Rich, was presented for a Pep assembly.

Both Glee Clubs have been under the able direction of Miss Ruth Rae Christopher. The accompanists have been Cleora Day and Virginia Franklin.

The girl's quartette composed of Frances Stevens, Roberta Turner, Margaret Rudd and Margaret Beardsley, accompanied by Dorothy Barnhart, has also taken part in many social functions and school activities.

Boys' Glee Club

The Boys Glee Club has endeavored to uphold the traditions of Winslow High to the best of its ability. It has taken part in many activities and helped the school in many ways.

In the past two years the Boys Glee Club has performed at Band Concerts, Armistice Day Programs, the Follies and regular P. T. A. meetings. It received a fine reception at the P. T. A. State Convention in 1932. It has furnished all of the talent for the annual operettas, "Belle of Bagdad," and "Lady of the Terrace."

This Glee Club of forty members has been directed by Miss Ruth Rae Christopher, who has instructed music for the past few years in Winslow. The accompanists have been Cleora Day and Virginia Franklin.

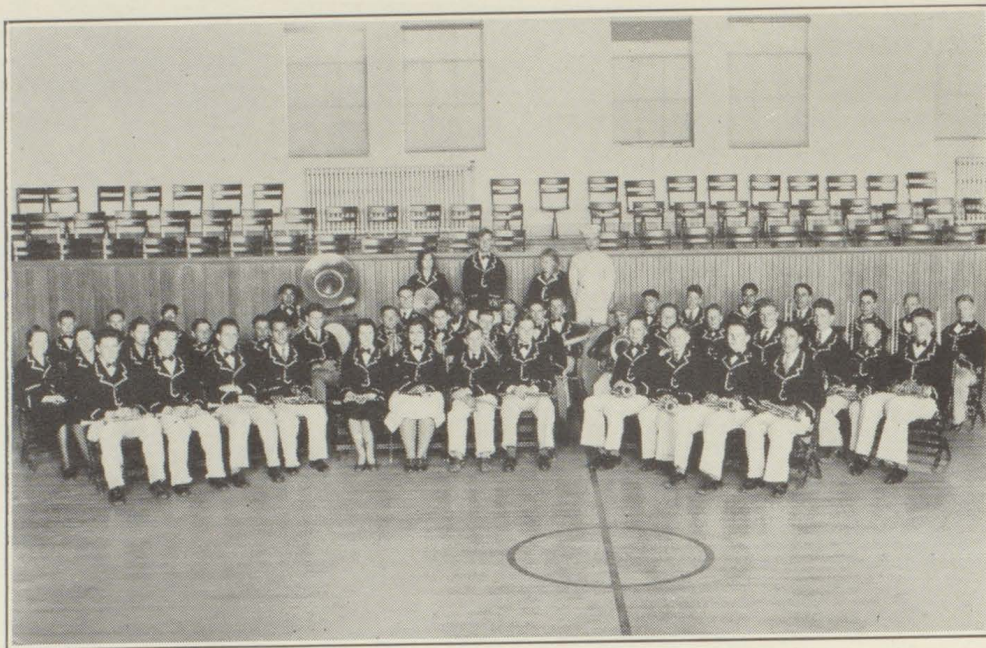

The Winslow High School Boys Quartette consisting of Daniel McBride, first tenor; Robert Woodburn, second tenor; Frank Farnsworth, baritone; and Bill Mahoney, bass, was chosen from this group to represent W. H. S. at Flagstaff. Daniel McBride will sing the high solo, and Robert Woodburn will sing low solo at the contests this year.

Winslow High School Orchestra

With the growth of the school, its sportsmanship, and talent along dramatic and musical lines, an orchestra has arisen in our midsts. 'Twas in the year 1932 when a great deal of musical talent and ambition was uncovered by Mr. Ostlie. There followed hours and hours of tedious scale practice and playing of simple tunes such as "Twinkle Twinkle Little Star." Out of all this monotonous practice rose a splendid organization. The orchestra is now an integral part of almost all the activities promoted by our high school. It has played for P.-T. A.; the Senior play, "Polly With A Past"; the Junior play, "The King Rides By"; the one-act plays, sponsored by the Public Speaking class; and the Operetta, "Lady of the Terrace." It was also very well received at the Band and Orchestra Concert.

The Spanish Club, La Estrella del Norte, was organized in the first semester of 1932-33. We have had various musical programs, a party to initiate new members, a Mexican supper; and we have presented a program including Spanish musical selections and two short plays, "El Novio Espanol," and "Una de Ellos Debe Casarse."

Though scarcely begun this year, we hope to do more interesting things this coming year and have good times in La Estrella del Norte.

Society

SENIOR-FACULTY PICNIC

The first real picnic of the school session was given at Clear Creek, Wednesday, September 30. After eating their fill of delicious food, the Seniors entertained the Faculty, and vice versa. The teachers were good sports and displayed unusual talent. My! Doesn't time fly when you are having a splendid time?

JUNIOR-FRESHMAN DANCE

When the Juniors and Freshman gave their dance, a gleeful school spirit reigned. A great attraction to the eye was the "snazzy" decorations. The hall was decorated with maroon and white streamers, all in keeping with the "football idea," and each person was presented with a clever favor in the form of a football, filled with bright colored candies. We are glad the Juniors and Freshmen decided to have cider.

FOOTBALL BOYS BANQUET

The football banquet was given by the mothers of our heroes at the La Posada, December 2, and was pronounced a great success. Too bad the girls couldn't have gone for they hear they missed turkey and dressing and many other things good for satisfying the nagging sense of taste.

SENIOR CHRISTMAS PARTY

The Seniors gave a Christmas party. Why? It should be a deep dark secret, but here goes. The Rudd and Chilson combination was running smoothly when Margaret decided to leave dear old "W. H. S." The Seniors, seeing the sad far-away look in Chilson's eyes, decided to give Margaret a farewell party to brighten things up. And ask any Senior how the party came out and you will see that it lingers in their minds until yet. They couldn't forget. Each person was presented with a gift, such as a LIMOUSINES, etc.

Prophesy of Class '33

Just imagine looking through the 1950 census and finding:

Bill Hendrick is now a mechanic in the Moqui Airplane Garage.

Coleman Savage is now a double for the hero in a wild west movie.

Edwin Marty: I now see Edwin as owner of a number of beauty parlors, the specialty of which is finger waving.

Virginia Franklin is now the President of a Humane society that cares for sick cats and blind dogs.

Frances Williams, now happily married to her sixth husband, is the proud mother of twin girls.

Sarah Hicks has gone to Mexico to get the drift of the lingo.

Eugene Schmitz is now in Germany where he is successor to Hitler.

Dorothy Weigel is now acting hostess of a carbaret in Monte Carlo.

David Herington is now a Representative to Congress from Arizona.

Robertia Turner has just returned from Italy where she has had her voice lifted.

Walter Nelson has lost his job because he seemed to think every other day was Sunday.

Bendrew Rhoton, our old faithful stage carpenter, is now a well known architect.

Rachel Butler is an active helper in a Medicine Show.

William Bell became one of the United States contestants in the 1950 Olympics.

Ernest Chilson is starting a dude ranch on the outskirts of the city of Payson.

Margaret Rudd is half owner of the aforesaid ranch.

Audrey Keeton is now a strong woman in Al. G. Barnes Circus.

Mario Medici is now a waiter in a restaurant that features spaghetti as one of the chief dishes on its menu.

Constance Everett is now a President of the Western College for Women.

John LaZear has just passed the bar. No, I do not mean law. I see him as a bartender in Joseph City's leading saloon.

Harold Corbett is now a preacher in a small church in Heber.

Roscoe Kirby has become a piano tuner, and he surely knows his notes.

Thalia Hosler now seems to be in the Public newspaper work. I do not see any printing, however, so it must be all talk.

Lawrence Recordon is now laboring every day in the hot sun in order to support his family of seven.

Lorraine Wilkerson is a happy house wife making a domestic home.

Janet Waits is now earning a living by writing bedtime stories.

Jessie Hicks is now owner of an interior decorating company.

Robert Woodburn is Rudy Valee's successor—without the sax.

Winn Hall for some unforeseen cause has become a woman hater.

Robert Carter is recovering from injuries received when he made too hasty an exit from an Austin car.

Ralph Blankenship is now a peanut vender on the corner of Sixth and Main in Los Angeles.

Sue Mercer is the well known scandal sheet reporter.

R. O. is now a Warden in the Sing Sing prison.

Doris Geoglein is now head of the history department in the high school at Meteor Crater.

Robert Hartney is now a salesman for a Canadian Beer agency.

Jay Winn is a noted scientist. He discovered a new hair dye.

Josephine Billingsley is now an instructor in the course, "How To Make Use of Moonlight."

Howard Parker is a floor walker in the May store.

I now see Edith McGee as a guide for European tourists.

Valeria Smith is now an ardent worker in a woman's league.

Ruth Curtis is now a medical doctor, who seems to be doing more harm than good.

Joe Hicks is now an Ambassador to England. Pity the English.

Sophomore Picnic

The Sophomores, unlike the other classes, did not pick Clear Creek for their picnicking place but "shuffled off to Chevalon." We are sorry that they were disturbed by unfair weather. All we know about the event is what the Sophomores tell. But we believe them and know that they had a swell time.

SENIOR "DITCH" DAY

The school was certainly surprised March 30, to find the customary decorations of "Ditch" day "draping" the halls. Between the dusky hours of 6 and 7 the Seniors started for Moqui Springs where they joyfully spent the day. And we want the school to know that we had two of the best sports in "W. H. S." for sponserers. The Seniors last request is for the school to take care of Coach and Miss Oare, for we know that there will be a fight over which class they shall sponsor.

JUNIOR PROMENADE

Depression didn't harm the success of the Junior Promenade, for it was a social function the Juniors may be well proud of. The Student Body and its friends were exposed to the icy blasts of the North Pole. The hall was decorated like an ice Palace with white Igloos and Polar Bears. Refreshments were served from a long Igloo of white. The gay spring dresses of the girls looked especially beautiful on the white background, and a beautiful blue moon shone across the floor. May the school compliment you on your great success.

SENIOR HOP

This event was entirely different from all that have been given. The decorations were the same as those of the Junior Promenade but somehow very different. Maybe it was the atmosphere. The Seniors' delight is knowing that they had a little originality in putting this over as they did. What do you think? Twelve o'clock came entirely too soon, for the fun was at its height. The decorations put forth a cold atmosphere, but the Orchestra was "hot."
